

NEWSLETTER Nov. 2007

Hello Pullers and families,

The banquet is scheduled for January 12, 2008. The banquet again this year is held at the Howards Johnson/Antiqua Bay in Wisconsin Dells. For reservations call 1-608-254-8306. A block of rooms is set aside for Puller's Inc. Price is at 72.99 + tax. (Call soon, once the block is full, price is subject to increase.)

Be sure to reply to Gary Schyvinch as to the number attending the dinner. Please reply before January 1, 2007, so we have enough tables and seating set up for everyone attending. In the past 2 years, people have not been able to attend the dinner because of limited seats setup. This is a large banquet room with plenty of room. Unfortunately, people have not replied that they were coming, so not enough seating was set up. New this year is a limit to the numbers at the dinner. For each member, you will be allowed 2 free, any additional will be \$20.00. You must reply to Gary for reservations. Upon arrival, Please go to PI reservations for your dinner coupons. No one will be allow to enter without the coupon. After the dinner, the room will be open to all for the awards and socializing.

Do you need something addressed at the meeting? Do you feel a change is needed? Now is the time to speak up, enclosed please find the form to do just that. This is the only way a change can be made. It must be sent back by January 1, 2008. All responses will be printed on the website. www.pipullers.com
